

HOUSE OF PRAYER LUTHERAN CHURCH
795 NORTH ROSE STREET
ESCONDIDO, CA 92027
760-745-3738

Summer is almost here. We are about to change pace for a few months. So now is a good time to pause and say thank you for all the ministries that have kept us so busy during the year. I especially want to thank all of those who have taught, assisted, and participated in Sunday School, confirmation, Bible studies, Keenagers, Music programs, and worship leadership. I apologize if that sounds a “bit generic”, but we have had so many of you participating I know I would forget someone’s name if I tried to name all of you. Thank you!

In addition we have had a very active Youth program all year, and now it seems to jump into “high gear” with all of the Summer plans. I hope you will all participate and bring your friends. Our youth program here is not just entertainment; but includes significant study and faith expanding programs. It is well-rounded enough to have something for everyone.

Now while we may pause with some of our programs, many will continue throughout the Summer months. We will continue with Bible Study on Wednesdays, Esther Circle, “One Anothering“, Quilting, fellowship activities, committee meetings, and as I said above, youth programs. It is an excellent time to reach out to your neighbors and bring them with you.

I also want to thank you for your faithfulness in worship attendance and support of your church. In spite of the economic difficulties, you continue to be faithful. Thank you for that!

We all need to be attentive to our giving to our church. When you go on vacation this Summer remember that the expenses of the church continue. We are already experiencing a shortfall in the income needed to maintain our ministries, so we would ask you to please be attentive to your giving and fulfill your commitment. We are making every effort to be the best stewards of our gifts that we can be, but we need your continued commitment.

I am constantly amazed at how attentive you are to the needs of our shut-ins and hospitalized. When I go visit, I am told of your visits. That is what the church is all about. Thank you for not solely relying upon the pastor to do all of the visitation. It is good to know you are out there with me making sure everyone stays connected to the church.

Thanks to some special gifts, we are in the process of getting some new doors for the sanctuary. The oak doors that have served us since the church was built have split and are no longer repairable. Watch for the addition sometime in the next few weeks. We are also considering some renewal of our audio/visual equipment. Evidently we have to make some changes due to the FCC changing the frequency used in PA systems. Hopefully that will not cost us a lot of money to make these changes. I look forward to seeing you in church if you are in town. If you are going to be away, let us know so that we can keep you in our prayers but also so that we don’t try to find out if you are alright. It helps if we know if you are going to be away.

God’s blessings as we move into this new and refreshing time in our lives.
Pastor Paul

God's blessings to you!

Summer is almost here; time to relax a bit more, to play a bit harder, and to think about things a bit deeper.

I drive a stick shift car, so I know about "changing gears." I know about down shifting and I know what happens when you drive in the wrong gear. Do I apply that knowledge to my daily life? Let's see what that might mean.

Changing gears... As summer approaches, my job responsibilities change a bit. During the school year I am focused weekly on our choir rehearsals, confirmation class, and youth group meetings. There are also the Cantatas and youth trips. Now, as I am "changing gears" for summer, I am aware that the music part of my work goes behind the scenes (undercover, so to speak) and the youth part steps up with trips to the beach, Disneyland, Elsinore Storm game and our yearly High School trek to California Lutheran University. As I am "down-shifting" in the music arena, I am, well, would you say "up-shifting" in the youth arena.

It's tricky work, I have been known to stall the engine, or even let it die by not being in the right gear at the right time. It's all part of "down-shifting" from one area, while simultaneously "up-shifting" in another. Thanks be to God my car only has one transmission! If it had more than one I am pretty sure I would be walking more!

In our lives we are constantly "up-shifting" and "down-shifting" as we finish something and take up new projects. May all of our changes be done gracefully and with God's grace.

Have a blessed June. Be sure and take in some of the special things that only Californians can do!
You are in my prayers; please keep me in yours.

Peace in Christ,
Janet Lane
Minister of Music and Youth Leader

Dear Janet

Please thank our "secret pal" in our church's youth group for the pretty May Day roses. I hurried to the door after you knocked, but you had already gone. Then I remembered years ago we used to hang flowers on door knobs & run away on May Day.

Thank You
Carl & Rosalind Siek

A Great Big THANK YOU to all who made our One Room Sunday School an awesome success!

First off, thank you to Yadira Lopez for taking the leadership of the class and to Genesis Alvarado and Samantha Runnels for assisting and leading throughout the entire school year. What awesome young adults you are! Thank you for your commitment, dedication and for nurturing our young people!

We also need to thank each person who led the "story-telling" portion on a rotational basis. Thank you to: Carol Gross, Dan Lowenberg, Jessica Vasquez, Nancey Lowenberg, Denise Ludwig, Diane Chambers, Donna Niederhaus, Gretchen Pili, Matt Madsen, Catalina Marquez, Peg Varns, Beth Jones, Mary Acosta, Max Harksen, Anne Radspinner, Tom & Kitty Wiebe, Dale Schmidt, Mollie Sacco, Joan Schmidt, and Grace Wichert.

A very special thank you to Lisa Lutz (thanks for helping me get over the first couple of hurdles!!) for helping me prepare the materials for each week.

Thank you to everyone I overlooked.

I know the children enjoyed their time each Sunday. It couldn't have happened without help from each and every one of you. All twenty-five (25) of you! Way to be difference makers at House of Prayer!

Thanks and blessings. Please sign up again next year! (See the July Tidings yet to come)

God bless each of you
